TRADES  SCHOOLTM

The logo for Trades At School. It consists of the words "TRADES" and "SCHOOL" in a bold, blue, blocky sans-serif font. Between them is a stylized "AT" logo where the letters are contained within a square frame. A small "TM" trademark symbol is at the top right of the word "SCHOOL".

Pasifika Education in New Zealand

What is Education ?

Education is what remains after one has forgotten what one has learned in school.

Albert Einstein

Pasifika Education is in good hands in NZ

- 53,000 Pasifika school students in Auckland
- 67.8% decile 1 – 3 schools
- 3% into modern apprenticeship
- 4% Pasifika have degrees, 1% have post-grad.
- 29.6% Unemployed 15 – 24 year old (Nationally)

Yeah right.

You cannot solve our
problems with the
same mind set you
used when you created
them.

Pasifika Ownership

- Pasifika must take ownership of their education problems (supermen & superwomen).
- Be an agent of change or a victim of change.
- Education, the Pasifika way, is more about experiencing learning than memorizing learning.
- Pasifika has so much more to contribute to NZ

Thank you
